

ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my supervisor **Dr. G. Maheswaran**, Principal, VSA Group of Institutions, Salem and to my joint supervisor **Dr. A. Geetha Selvarani**, Professor, Department of Civil Engineering, Vel Tech Dr. Rangarajan, Dr. Sagunthala University, Chennai for their constant support, guidance and motivation. It would never have been possible for me to take this work to completion without their incredible support and encouragement.

I would like to thank my Doctoral committee members **Dr. M. Neelamegam**, Professor, Easwari Engineering College, Chennai and **Dr. Binu Sukumar**, Professor and Head, Department of Civil Engineering RMK Engineering College, Chennai for their helpful discussions, continued advice and valuable support.

I specially thank **Thiru A. Rajendran M.A.**, Chairman, VSA Group of Institutions, Salem without him I could not have successfully completed my work. I specially thank, faculty members, Department of Civil Engineering, VSA Group of Institutions, Salem for the support given to me at all the stages of my work. I also wish to thank all teaching, non-teaching staff members of VSA Group of Institutions, Salem for their tremendous help during my research. I thank the almighty for giving to me the opportunity, strength and determination to enhance myself for the development of my family, my institution, my country and myself. Finally, I thank to all those who have helped me directly and indirectly in the successful completion of this work.
